Experience

The English Bank Staff

2023

Giribawa, Galgamuwa.

- After studying at TEB for a month, I was hired as a staff member based on my academic skills. There, I taught English to young children alongside the teachers.

Academic Projects

Gym Management System

C# .NET | SQL Server

- Developed a desktop tool to automate members and coaches registration and ID generation. Handled secure database connectivity and automated print all members and coaches information in PDF format.

EMA Textile System

UI/UX Design

- Designed a high-fidelity prototype in Figma using a fresh & modern aesthetic. Focused on a seamless user journey, from menu browsing to checkout, ensuring a clean and intuitive interface. Applied modern design trends including custom iconography and a vibrant, appetite-appelling color palette.

Cricket Blog Post

HTML | CSS | Javascript | MySQL

- Built a full-stack web application for blog post share. Applied UI/UX principles to create a user-friendly admin dashboard and mobile-responsive layout.

Several more projects are in the works.
